

Position Available - Fire Project Manager

Take the next step in your fire protection project management career.

Holistic Fire Services is a rapidly growing, highly regarded fire company delivering quality fire installations and upgrades across commercial, industrial, retail and mixed-use projects throughout NSW.

Due to strong ongoing growth and a solid pipeline of upcoming work, we are seeking a Fire Project Manager (mid-level or rising) to join our team.

This role offers an outstanding opportunity to step into a career-defining position with long-term progression into senior leadership.

About the Role

You will be responsible for the end-to-end delivery of multiple fire protection projects across Sydney, managing projects from award through to completion, including:

- End-to-end project management across fire installations, upgrades and fitouts
- Managing wet and dry fire projects
- Coordinating site teams, designers, subcontractors and suppliers
- Programming, scheduling and resourcing works
- Managing budgets, variations and forecasting
- Ensuring full compliance with Australian Standards, NCC and relevant codes
- Client communication and stakeholder management
- Identifying risks and driving project solutions
- Ensuring projects are delivered safely, on time and on budget

This role will involve a combination of office-based project management and regular site attendance.

About You

We're seeking an ambitious and capable Project Manager who brings:

- Proven experience in project management within the fire protection industry
- Strong exposure to both wet and dry fire systems
- CAD experience desirable
- Solid understanding of Australian Standards and fire compliance requirements
- Excellent communication, organisation and leadership skills
- A proactive, professional and solutions-focused approach

- Confidence managing multiple projects simultaneously
- A strong team mindset and positive attitude in a fast-paced environment

This role is ideal for:

- An experienced mid-level PM or
- A strong Site Supervisor / Project Coordinator ready to step up

What's On Offer

- Secure full-time position
- NSW-wide projects across diverse sectors
- Long-term career growth into senior project management
- Supportive leadership and a strong company culture
- The chance to shape your role and grow with a scaling business

Apply Now

If you're ready to take ownership of your projects and grow your career with a respected fire protection business, we'd love to hear from you.

Apply now via Seek with your CV and a brief cover letter outlining your experience.
